PROFESSIONAL SUMMARY

Aspiring Java Full Stack Developer with hands-on experience in full stack web development, responsive UI design, and REST API integration. Skilled in Java, JavaScript, React.js, Node.js, Django REST Framework, MySQL, and MongoDB. Completed a Full Stack Development internship at VDart Academy and developed multiple academic and personal projects including HR Management System, Learning Management System, Event Management Platform, and NLP-based Complaint Management System. Passionate about problem solving, software development, and building scalable web applications.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, HTML5, CSS3

Frameworks/Libraries: React.js, Node.js, Express.js, Django REST Framework

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, VS Code, Postman, Power BI

Core Concepts: OOPs, REST APIs, Responsive Web Design, Frontend & Backend Development

PROJECTS

NLP Enhanced Intelligent Complaint Management System

- Developed an AI-powered complaint management system for municipal services using NLP techniques.
- Implemented complaint categorization and department routing using text processing concepts such as TF-IDF and Naive Bayes.
- Designed modules for complaint tracking, prioritization, and department-wise management.

Learning Management System (MERN Stack)

- Built a full stack learning platform with authentication, course enrollment, and dashboard functionalities.
- Developed responsive frontend interfaces using React.js and integrated backend APIs using Node.js and MongoDB.
- Implemented course viewing, enrollment management, and dynamic routing features.

Event Management Platform

- Developed a responsive event management application with modern UI/UX design.
- Implemented event creation, booking, and dashboard functionalities using full stack technologies.
- Integrated frontend and backend modules for smooth user interaction and data management.

INTERNSHIP EXPERIENCE

Full Stack Development Intern – VDart Academy

July 2025 – August 2025 | Trichy, Tamil Nadu

- Completed hands-on internship training in Full Stack Web Development.
- Worked on frontend and backend technologies including React.js, Node.js, Django REST Framework, MySQL, and MongoDB.
- Contributed to web application development, API integration, and responsive UI implementation.
- Collaborated with mentors and peers to solve real-world development problems and improve coding practices.

EDUCATION

B.E – Computer Science and Engineering

M.I.E.T Engineering College, Trichy | 2022 – 2026

CGPA: 8.13

H.S.C – Rice City Matric Hr. Sec. School, Aduthurai | 2021 – 2022

Percentage: 80.83%

S.S.L.C – Rice City Matric Hr. Sec. School, Aduthurai | 2019 – 2020

Percentage: 81.2%

CERTIFICATIONS

- Data Science & Analytics – HP LIFE (2025)
- Power BI Workshop – OfficeMaster (2025)
- Cybersecurity Roadmap Webinar – SkillEcted (2025)
- Business Analytics Webinar – GUVI x HCL (2025)
- Academic Internship – Full Stack Development, VDart Academy (2025)
